REPAIR CORRECTION LIST

Use this list to clean up bypassed charge on improperly done or unnecessary prepared lists or repair actions. This list is done when a pc protests a prepared list or repair action, when BIs are present on the subject of repair or prepared lists or when improper past repair or use of correction lists reads on a correction list.

Assess this list Method 5 and handle all reads. The EP of this list is charge off the subject of repair and prepared lists and the pc happy about being audited. This list can, if necessary, be reassessed and taken to an F/Ning assessment.

The words "prepared list," "repair" and all other words on this list should be fully cleared with the pc before assessing this list on him. However, if the pc is very upset and the words have not yet been cleared, assess the list to handle the charge and check with the pc for any MUs on the assessment.
