Re: Successful and Unsuccessful Actions Addition

Since this was first written some updating is required as follows:

1. A workable CIC has now been devised and the current CIC is a successful action.
2. An anti-Press campaign has been run by a front organization with great success.

Both of the above were listed as unsuccessful actions.

Love,

A handwritten signature in dark ink, appearing to be 'M. J. B.' or similar, written in a cursive style.

Ko.
