FRANCE INVESTIGATIONS HANDLING PROGRAM

INFORMATION

About mid-May the Nice mission as well as 3 other missions and groups in Marseille were raided, staff were arrested and interrogated by the police and 5 staff were charged with fraud and illegal practice of medecine. 4 of those are still kept in jail (Xavier Delamare, Emmanuelle Aulagnier, Sylvie Musset, Marie-Ange Molina).

This investigation was prompted by about 6 penal complaints filed by ex-publics of the missions of the area, most of them being psych cases. The judge of instruction appointed on the case is Mrs Carole Sayouz.

End of June, the Lyon mission was raided also by the police and 2 staffs arrested (Alain Barou and Corinne Medalin), charged with fraud and illegal practice of medecine. Then the mission holder (Jean-Jacques Mazier) was charged with fraud, illegal practice of medecine and involuntary homicide and is still kept in jail.

Beginning of July, the Lyon police raided Paris org, CC Paris and the personal flats of the president and the secretary of CCP with the pretext they were looking for the treasury records of Lyon mission. The president and the secretary of the CCP, the president (Danièle Gounord), the secretary, the ex-treasurer of Paris org and the DSA FRA (Jean-Paul Chappelet) were arrested. The presidents of Paris org and CCP as well as the DSA FRA were kept by the police and then charged for complicity of fraud and of illegal medical practice of medecine. The president of CCP was released and JP and Danièle are kept in jail.

This investigation is apparently related to the suicide in March 88 of Mr Vic. Mr Vic had followed 2 introductory courses in the mission at that time and was in comm with the mission holder JJ Mazier. His next step to be done was the purif rundown. The complaint against X which had been filed by his

wife at that time and had been shelved in 88, had been

RE: DR 10 JULY 90

DEAR SIR

 Deux ans avant la perquisition du siège parisien de l'Église de scientologie sur commission rogatoire du juge Marie-Paule Moracchini, les scientologues savaient déjà que le magistrat s'intéressait à eux (p. 216-217).

ALSO GOT INFORMATION TODAY THAT JOI PARIS. MORACHINI PRIOR TO THE MARSEILLE RAID SENT A MEMO TO MIN OF JUSTICE SUGESTING OVERALL ACTION AND SUGGESTED THAT THE ONLY WAY TO GET AT SCN IS VIA THE MONEY FLOWS AND ACCOUNTING AND TO CONCENTRATE ON THAT. THIS IS INTERESTING IN VIEW OF EVERYTHING. I DONT KNOW MORE THEN

THIS AND NEED TO TRACK THIS DOWN IN MIN OF JUSTICE/ THIS IS INTERESTING THOUGH IN VIEW OF THE OVERALL SCENE/ SHE WAS ALSO ASKED BY A COLLEGUE ON HER VIEWS ON THE SCENE AND STATED THAT PUTTING THE SCN IN JAIL IS A TOTAL FUCK UP AND NOT HOW IT IS SUPPOSED TO GO AND THAT IT WAS A MAJOR MISTAKE AND THEY WILL NEVER GET THEM THAT WAY. I GUESS WE KNOW WHERE THIS LADY SITS WITH RESPECT TO THE PENDING COMPLAINTS SHE HAS.
