4 August 1974

FPPC WUS  
FOLO WUS

MEKO ENGLUM

MEKO ENGLUM is removed from the FPPC Network and is assigned to the RPF EXCALIBUR.

Meko was recently largely responsible for a shore flap at a non-Scientology event in the US. Let it be known that she worked to destroy Sea Org PR Area Control, which was her responsibility.

Meko has R/Sed and by her recent actions has crashed an area.

She may apply for re-entry to the FPPC Network after she has successfully graduated from the RPF.
