THE OPERATING THETAN COURSE

The OT Course has started. It is available by invitation by Part only. Once a person has attained the State of Clear, he does not immediately become eligible to enrol on the OT Course. He or she may be invited to enrol in Part 1.

The OT Course is divided into levels. Each level is called a Part. Enrolment in each Part will be by invitation only.

The reason for this is that for the first time in this universe we are making real cleared (not keyed out) OTs. The power of these beings will be unlimited. This whole operation must be done in an organised manner, and it is expected of the beings on the OT Course that Scientology Ethics Codes will be always applied and followed. For example, an OT or OT Course Student would be expected never to attack another being or group unless that being or group had been formally declared suppressive by our Ethics Section. Also it is intended that there will be no leakage of upper level confidential materials which could be used destructively by suppressive persons or groups.

If a person has shown by his past actions that he cannot be trusted to follow the Ethics Codes of Scientology, he will not thereafter be invited to enrol on Part 1 of the OT Course, for it would be to invite disaster to do so.

We intend to „Bring Order“ to this universe. And we shall do so.
