## SECOND DYNAMIC RULES

It has never been any part of my plans to regulate or attempt to regulate the private lives of individuals.

Whenever this has occurred it has not resulted in any improved condition.

All I have been interested in, so far as Scientology law was concerned, was in removing retarding elements or practices from the path of progress toward freedom.

Man is aberrated. Otherwise we would not be here. He is hard to rescue as he has been carefully „trained“ to do himself harm.

I have no concern about the second dynamic activities of Scientologists save only where they bring suffering to others and so impede our forward progress.

Therefore ALL FORMER RULES, REGULATIONS AND POLICIES RELATING TO THE SECOND DYNAMIC ACTIVITIES OF STUDENTS, PRECLEARS, STAFF AND SCIENTOLOGISTS ARE CANCELLED.

In their place, any husband, wife or individual whose processing or training has been impeded or interrupted beyond any reasonable doubt by second dynamic activities on the part of staff or associates or their husband or wife may have recourse to the CHAPLAIN'S COURT, Division 6, of any Scientology organization, and any case heard, if it be proven beyond reasonable doubt that, without provocation, a persons training or processing has been impeded by the irregular second dynamic actions of the defendant, a fine of not less than £1000 sterling or greater than £5000 sterling shall be awarded the plaintiff and until paid, the defendant shall have no further training or processing.

This policy is not retroactive (occurrences before this date may not be tried).

No Ethics order shall be issued by reason of second dynamic activities. All Ethics orders now in force relating to the second dynamic are cancelled.

No staff member may be punished, transferred or dismissed because of second dynamic activities.

No student or preclear may be suspended or dismissed because of second dynamic activities.

---

Nothing in this policy letter lays aside our actual knowledge of the consequences of second dynamic overts against husbands and wives being processed or the degree to which training or processing can be impeded for someone because of another's acts.

We are also aware that those org staffs which are overactive on the second dynamic seldom prosper.

We also retain any and all technology relating to the second dynamic.

---

One of Man's primary areas of aberration is the second dynamic.

Processing, not discipline, is the only thing which eradicates aberration of such depth.
