### **COURSE NECESSITIES**

Effective on receipt on all students who have not begun the levels named and on all internes for the relevant class:

1. All materials on Word Clearing are added to Level Zero checksheets.
2. All materials on Confessionals (formerly known also as Sec Checking or Integrity Processing) are added to Grade II.
3. All materials on listing and nulling and all materials on PTS, SP tech are added to Level IV.
4. All materials on co-audits are added to the Senior Class IV checksheets.

Where the student has not earlier covered them or as review all the above materials are added to the Senior Class IV checksheets.

5. All the above materials for a first time or review if earlier covered in lower levels are added to the Saint Hill Special Briefing Course.

It has been found that some Class IV auditors who have gone through these levels do not know these vital technologies.

Those who have done so should take their Senior Class IV in their local org or the SHSBC at their earliest ability to do so. Failure to attain a thorough command of the above mentioned tech as well as the previous materials of the mentioned classes can give them loses on their preclears.

All Course Supervisors are responsible for seeing that these materials and current improved checksheets are available to such students without delay. The improved checksheets of this material exist and the bulk of the materials exists in HCOB Volumes where packs are not at once available.

Nothing in this HCOB states these materials cannot be independently studied by other persons or auditors of other or no c/ass.

This HCOB does not assign these materials to pus only at that level and they can be done at any level at need.

Auditors at or above C/ass IV who do not know these materials and can use them well had better do the relevant packs fast to get their tech up to date.
