*New Era Dianetics Series 15*

## **IDENTITY RUNDOWN**

We have never before had a Dianetic process specifically directed to getting a pc into valence. This result has occasionally been achieved by Standard Dianetics as one of many miracles produced, but previous to this there has been no Dianetic RD which specifically lends itself to handling valences.

You can, of course, order them into valence in an incident but that isn't in the realm of R3RA.

### **PROCEDURE**

1. Have the pc make a list of all the things he has never wanted to have.
2. Do preassessment on those that read in 1. Quad R3RA reading items, first checking interest.
3. Have the pc list all the things he has never wanted to do.
4. Do preassessment on those that read in 3. Quad R3RA reading items, first checking interest.
5. Have the pc list all of the things he has never wanted to be.
6. Do preassessment on those items that read in 5. Quad R3RA reading items, first checking interest.

The end phenomena of this process is when the pc originates that he is in valence, or some similar remark such as for the first time he feels himself.
