CONFESSITIONAL TECH POLICIES

(Effective on Receipt.)

(Adds to and Amends HCO PL/B 28 Nov 78,  
AUDITORS WHO MISS WITHHOLDS, PENALTY)

Recent investigations into failures of executives and staff to produce constructive products (and who produced no products and overts products), into case failures and into training failures, all revealed the following common denominator: missed withholdings (including offences of a criminal nature and High Crimes against Scientology, its churches and members and against Standard Tech and Policy) and the omission of Confessional Technology.

EXECUTIVES AND CONFESSITIONAL TECH

Any executive found to be discouraging or forbidding Confessionals or refusing to permit the tech to be applied or omitting the application of it or dismissing persons who seek to get tech or policy in is subject to immediate suspension from post, is to receive a Confessional and a Comm Ev on a charge of: NON-COOPERATION WITH ENFORCING CONFESSITIONAL TECHNOLOGY.

By issuing an order to omit Confessionals or that could be applied as such or failing to keep the tech in or refusing to have a Confessional, the person has at that moment just by act, automatically suspended himself from post and his orders would not apply. It is thereafter only subject to HCO Board of Review.

It is a High Crime for an executive to penalize auditors, C/Ses,

Tech/Qual or Ethics Officers for following HCOBs or HCO PLs, especially when it is due to the executive's withhold. (It is also a High Crime to falsely charge an executive with the above.)

#### MINISTERS AND CONFESSITIONAL TECH

A pastor or minister who refuses to hear the Confessionals of persons or who recommends or urges persons not to hear Confessionals or who omits to hear Confessionals can be suspended at once as a minister until he himself has received a Confessional and refusing, remains suspended until reinstated by an HCO Board of Review.

Such a person is subject to being declared and expulsion from the Church.

#### ETHICS OFFICERS AND CONFESSATIONAL TECH

Ethics Officers must be ministers and the failure of an Ethics Officer to train himself to hear Confessionals subjects him to post removal and Comm Ev.

#### CASE SUPERVISION AND TRAINING

#### AND CONFESSITIONAL TECH

On any failed case or training failure (Tech or Admin training) a Confessional is required on those responsible (i.e., auditors C/S, Supers, Word Clearers, D of T or other Tech/Qual personnel involved).

A failed case pc or failed student is also required to receive a Confessional as it has long been known that No Case Gain in auditing or in training is due to continuous overts and withhold.

Any Solo auditor who red-tags is sent to Review and Cramming and any Solo C/S and Solo Course Super whose pcs or students are red-tagging must be given a Confessional.

Any minister whose pcs are red-tagging, get sick after auditing, blow or are dissatisfied with their results or lack gains, must be given a Confessional.

#### REPORTS

Anyone who refuses a Confessional or who refuses to answer a reading question should be turned over to the Ethics Officer and the Guardian's Office notified then and there.

Any anti-Scientology overts or intentions disclosed are to be reported to

the Ethics Officer and the Guardian's Office.

#### PENANCES

A minister who misses withholds on a parishioner is required to receive Confessionals himself (including a "Joburg" Confessional and an Auditor Confessional) and if repeated is subject to Comm Ev.

A parishioner who knowingly withholds during a Confessional is also subject to being named an Interested Party at the minister's Comm Ev.

A parishioner who knowingly withholds during an HCO Confessional is subject to double penances.

The charge (in addition to any other charges) is:        NON-COOPERATION WITH ENFORCING CONFESSITIONAL TECHNOLOGY.

#### BENEFITS

Those who apply Confessional Technology are highly valued and produce great gains for their pcs and produce an improved environment generally.

Confessional Technology and its application is essential to the attainment of spiritual freedom, heightened responsibility and causativeness and the betterment of conditions.
