THE CODE OF HONOR
INTRODUCTION
22 JUNE 1989

Since it is an ethical code no one expects the Code of Honor to be closely and tightly followed.

An ethical code cannot be enforced. Any effort to enforce the Code of Honor would bring it into the level of a moral code. It cannot be enforced simply because it is a way of life which can exist as a way of life only as long as it is not enforced. Any other use but self determined use of the Code of Honor would produce a considerable deterioration in a person. Therefore its use is a luxury use, and which is done solely as a self-determined action, providing one sees eye to eye with the Code of Honor.
