Source Operations #1

- Process Q2 -

Pre logic Q2: "Definition of Self-Determinism: The ability to locate in space and time energy and matter, also the ability to create space and time in which to create and locate energy and matter." (LRH)

— Highest purpose of a Source:

"To create space & time in which to create energy and matter"

— 2nd Highest Purpose:

"To create space and time in which to experience energy & matter"

3rd Highest Purpose:

"To experience space and time in which to create energy and matter."

4th Highest Purpose:

"To experience space and time in which to experience energy and matter."

————— " —————

An operating Source is doing one of these purposes.

Assess which one it is.

Run Value-Importance Straightwire (V-I S/W) on it.

OK
S.E./S.Ron.
