Awareness levels

The Recognition of the basic Purpose of all OMNI & SOURCE SOLO LEVEL MISSIONS is the first step on the awareness levels of OMNI.

Next, one can permeate the OMNI & SOLO MISSION RECORDS and gain COMMUNICATION and PERCEPTION of them. It is a Knowingness Record, and gives a feeling of fullness and coordinated action.

The awareness levels then
proceed as per Ron's use
of them in the Org Board.
It's another "Recognition to
Source" cycle.
