* Electro-Magnetics, Lasers,
& Radiation Effects

A TTA Problem when the Body Org
is able to audit itself - after c/10 Cycle RD.

① "What condition have you (Body Org)
encountered in auditing through (or
during) Electro-Magnetics, Lasers, and
Radiation Effects."

② "Tell me how you handled it."

Then B/EB.

* These can affect the comm lines between
 λ , ϕ , & MEST v. causing out of comm &
coordination effects on the Body.

* Microwaves, Satellite Emissions, Heavy Electric
and Magnetic Fields, Laser Emissions, and
of course Radiation of all types can cause this
if strong enough.
